IRA PASSONS

There is a certain man in our community whom we see at all our school activities: football, track and field events, basketball, special assemblies, Homecoming, plays, and Alumnae meetings. No school could have a more enthusiastic supporter in all its various undertakings than our constant fan and friend to all - Mr. Ira Parsons.

For almost 45 years this friend of youth has been a living part of our community, school, and church life. Mr. Parsons does not need a continuously victorious team in order to be its supporter - he is with us all the way - win or lose. He expects the team only to do the best it can.

So, we proudly dedicate this 1965-1966 Annual to our number one fan - MR. IRA PASSONS.

ADMINISTRATION

Superintendent's Message

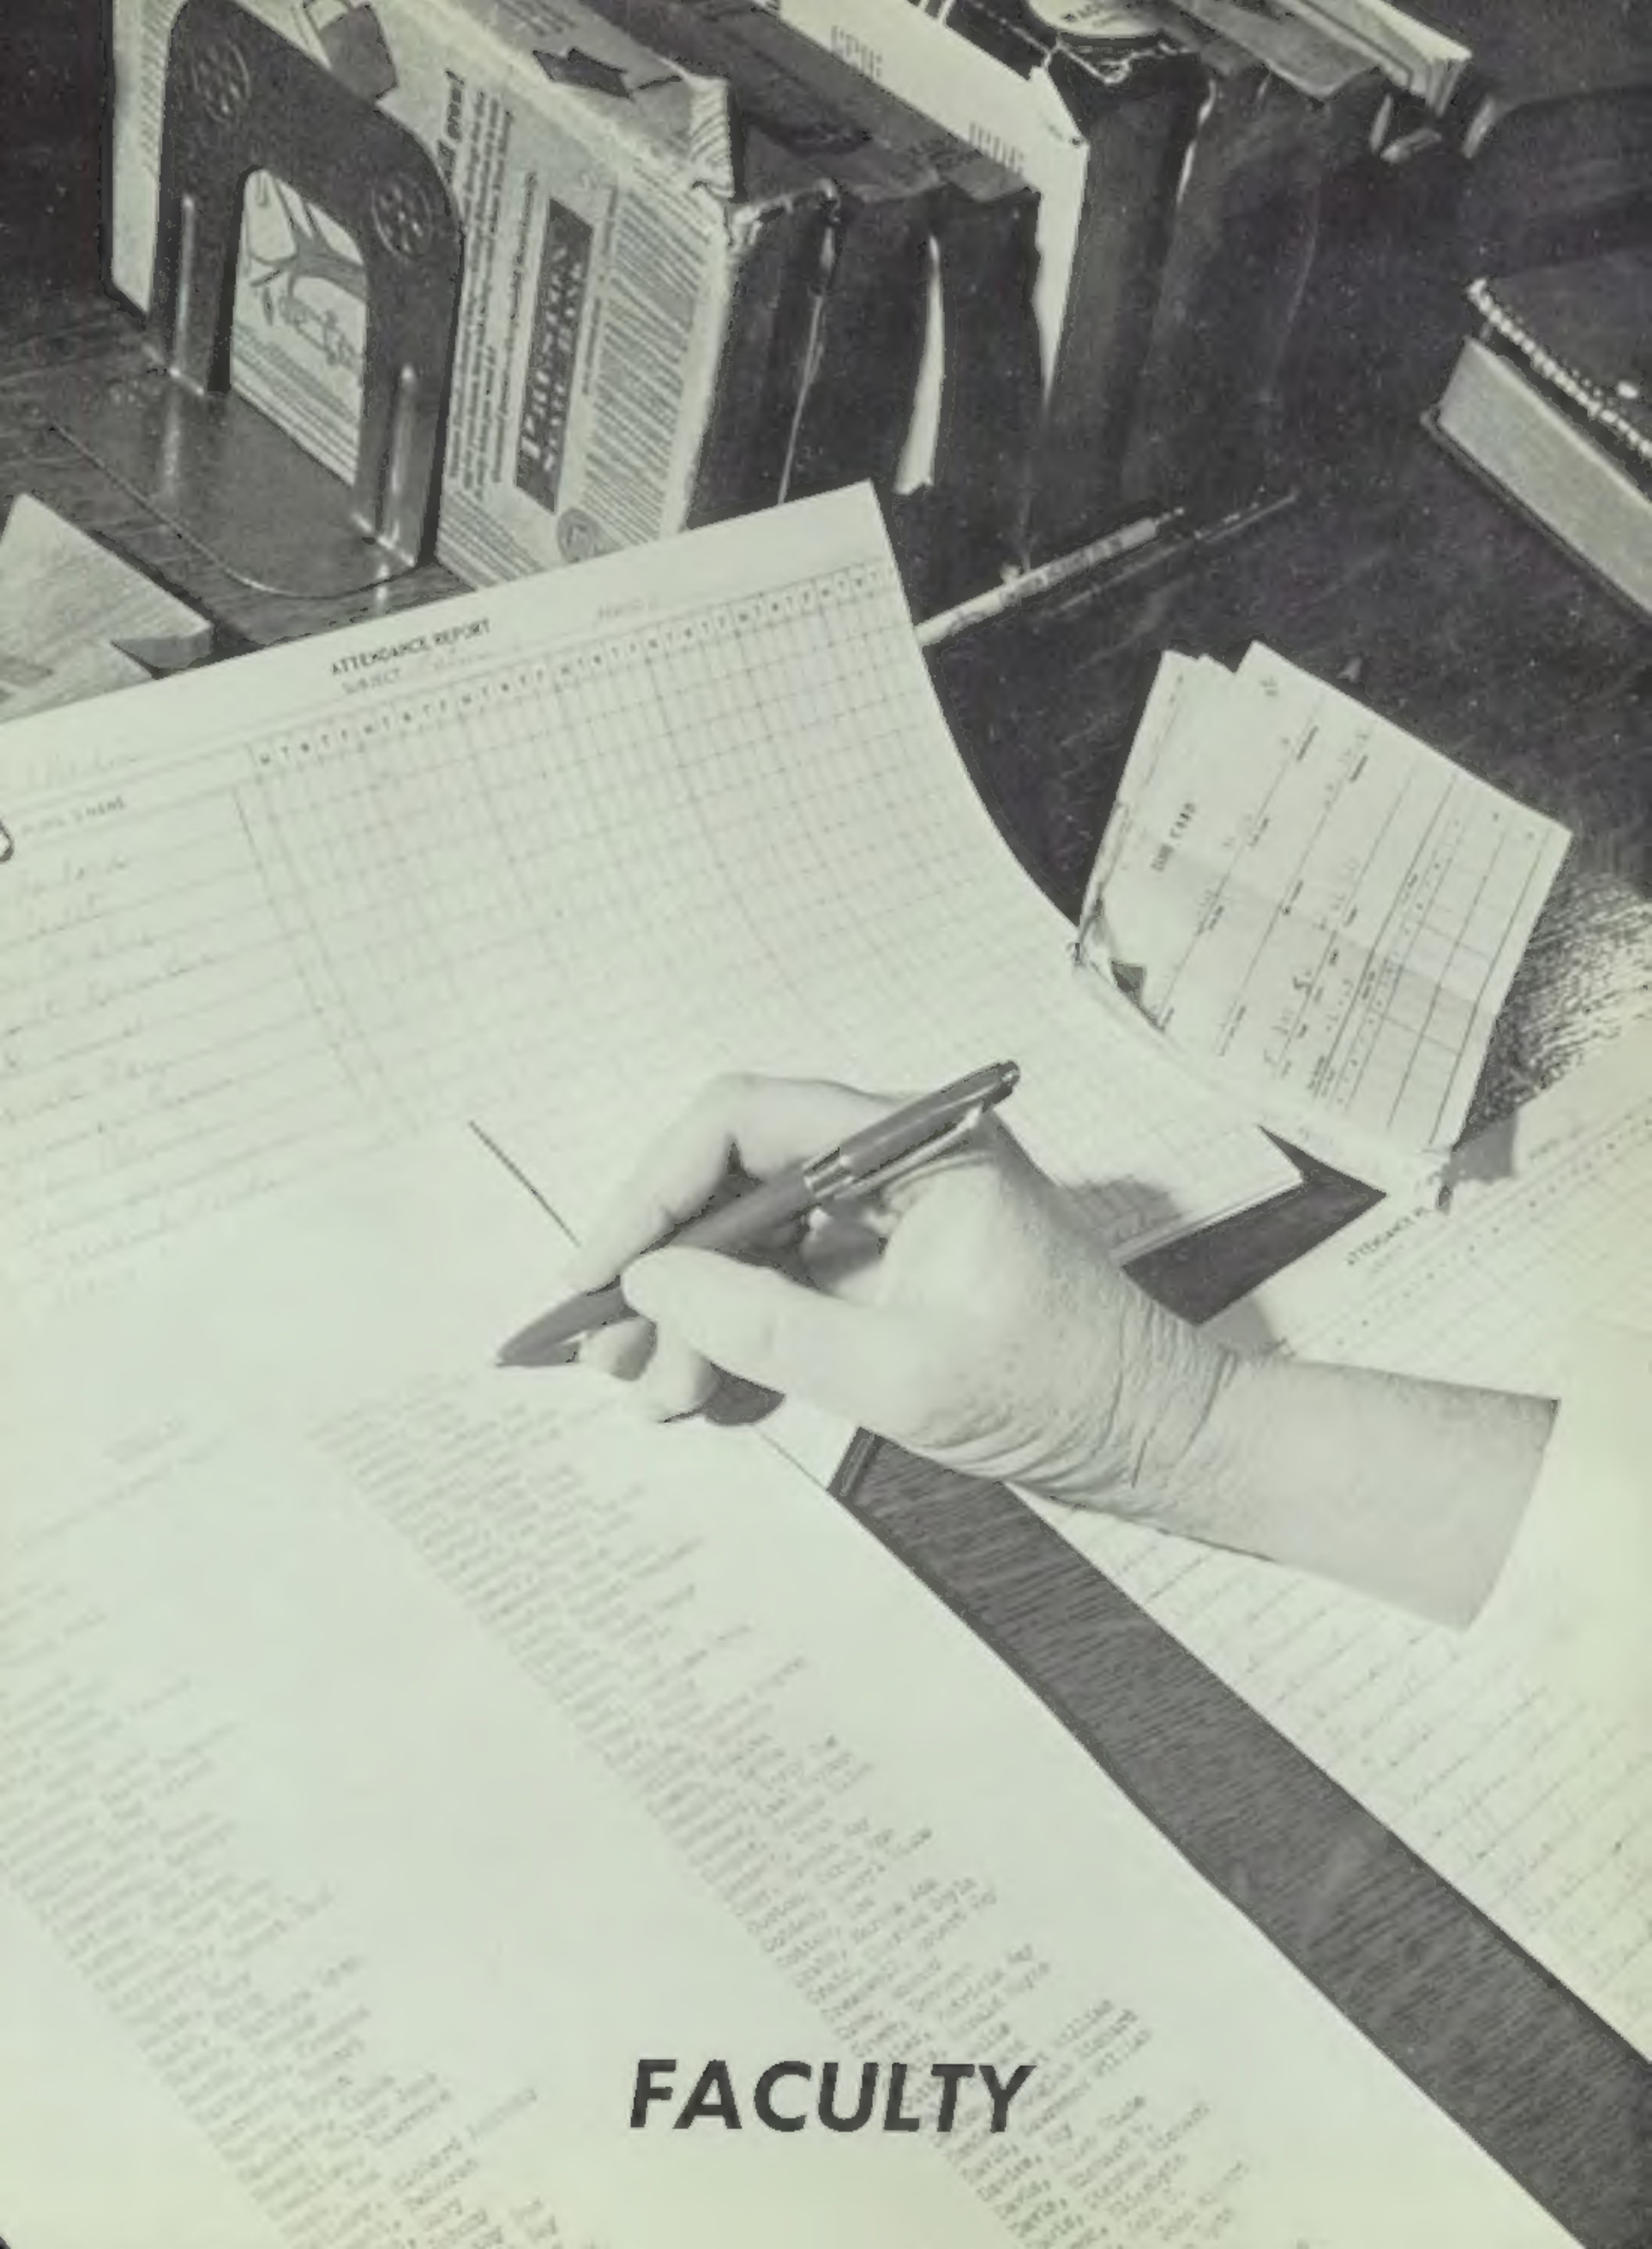

This term of school has been a climactic one in that every area of accomplishment has been entered into and excelled in by our fine student body. Academic, dramatic, athletic, all have been covered the most completely of any school year that I have experienced.

Soon, in January, 1967, we will have the wonderful opportunity of occupying our new school plant. Our Board of Education, our faculty, our students, and our school patrons are to be congratulated upon this truly great undertaking.

May this year help us to rededicate our lives to the proposition that each of us has a right and a hope that we can be educated to the limit of our ability in a free, democratic society.

A large, thick stack of books, likely a yearbook, is shown from a low angle, looking up at the top. The books are stacked in a slightly irregular manner, with some pages visible at the edges. The stack is positioned diagonally across the frame. At the bottom of the stack, the word "FRESHMEN" is printed in a bold, white, sans-serif font, set against a dark background.

The District 2B tournament was held at Wheeler again this year for the last time because of the step-up in classes that WHS will be in next year.

A few pre-game warm-ups.

Three girls from Wheeler were placed on the all district team, they were guards Connie Richardson, and Linda Hall, and forward Sue Richerson.

Time out for a breather!

The boys fought hard and almost won the final game against Briscoe.

Free shots meant a lot.

Mike Goad takes close aim for a free shot.

Captains Beverly Clark and Linda Hall receive the hard earned first place trophy in the Canadian Tournament.

The proud team poses for a picture with their beautiful trophy.

OUR EDITOR

ELIZABETH HUBBLE

Our annual is complete and, we the annual staff, are proud of our efforts. It has not been an easy task, but we have enjoyed every minute of our work toward completion of another treasure chest of pleasant memories of the days at Wheeler High School. It has been great fun and hard work.

I appreciate the opportunity of serving my school as editor of the '66 Mustang, and I will consider it an honor to have been selected for this position.
